Goal 2 - Curriculum that Matters:

Provide multiple pathways that empower lifelong learners, active citizens and career and college ready students from Pre-K through grade 12.

Goal 3 - Engaged Parents and Families:

Empower and inspire families to positively impact their child's education in a welcoming, informative, and collaborative school culture.

Goal 4 - Healthy Generations of Carson Students:

Advance physical, social and emotional wellness for all students.

Goal 5 - A Community in Full Partnership:

Actively connect every student with learning beyond the classroom.

District Communication Efforts

The Carson City School District is pleased to have ParentSquare as our communication platform. ParentSquare is a safe and secure platform for all school-to-home communication. The two-way messaging, private conversations, district-wide alerts and notices, and simple user interface keeps everyone connected. The Carson City School District televises the Board of Trustee meetings through access television twice each month. Each school distributes a monthly newsletter to parents and community members as a means of keeping the public informed about school activities, programs and events. Elementary schools host Parent/Teacher conferences at the end of the first quarter and then again at the end of the third quarter. Test results and interpretation guides are sent home at the completion of each standardized test cycle. Each school maintains a website providing school-wide information. The district provides a website (carsoncityschools.com) where parents and community members can obtain information regarding policies, procedures, curriculum and assessment results. Elementary schools utilize PeeChee folders to communicate with parents on a weekly basis. Each school hosts school-wide activities to encourage parent participation, i.e. science fairs, family reading nights, math nights and a variety of other social events. The high school and middle schools utilize Infinite Campus so parents have access to grades, attendance and announcements 24 hours a day via the computer.

Discipline

It is the policy of the Carson City School District to provide regular in-service education and training about harassment, sexual harassment, intimidation and bullying for employees and students. Such in-service training shall include:

- Awareness concerning the various types of bullying, harassment, and intimidations; how the bullying, harassment and intimidation manifests itself and the devastating emotional and educational consequences that may occur.
- Training in the appropriate methods to facilitate positive human relations among pupils without the use of bullying, harassment and intimidation so that pupils may realize their full academic and personal potential.
- Methods to improve the school environment in a manner that will facilitate positive human relations among pupils. Methods to teach skills to pupils so that they are able to replace inappropriate behavior with positive behavior.

Curriculum Details

The Carson City School District provides a comprehensive Nevada State Standards based Pre-K - 12 curriculum that involves core subject areas, arts, humanities, physical and career technical educational opportunities to meet the diverse needs of student population. The district's Learner Centered Model emphasizes a personal learning environment for academic achievement to promote college and career readiness for each student.

Because of the changes in law (NAC 387.659) in 2009-2010 that affected the way credit deficient students are identified, results prior to this date and post this date cannot be compared.

Users should note that this data may have been affected by the early closure of school facilities in spring of 2019-20 due to the COVID 19 pandemic. Consequently, results for 2019-20 may not be comparable to previous years.

Summary of Standards-Based Test Performance

Nevada uses CRT (Criterion Referenced Test with the new NV Standards, also known as the Smarter Balanced) to measure student achievement relative to Nevada's academic standards. For grade specific assessment results and other assessment information, refer to www.nevadareportcard.nv.gov.

ED = Percentage of students performing in the lowest range of achievement (Emergent/Developing)

AS = Percentage of students performing in the "Approaches Standards" range of achievement

MS = Percentage of students performing in the "Meets Standards" range of achievement

ES = Percentage of students performing in the highest range of achievement (Exceeds Standards)

Level 1 = The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 2 = The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 3 = The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school

Level 4 = The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in entry-level credit-bearing college coursework after high school
